2010 Field Achievement Awards

Junior Hunter

Gaylan's Thaleia, UDX, OM1, RAE, TDX, JH, OA, AXJ, OBHF – Vicki Chaney

This little girl has been one of the most amazing dogs I have had the pleasure with which to work, live and compete. She came to be mine at 9 weeks of age and by 12 weeks we started our journey together tracking. By 6 months old she was ready to certify and by 7 months old had earned her TD. She has been on a steady roll ever since, earning numerous titles in Field, Tracking, Rally, Agility and Obedience.

Working Certificate

Emberain TLC's Livin' On the Edge, BN, RA, JH, AX, MXJ, NF, WC – Teri Chang

Our highlight for this past year was going to the Golden Nationals in Greeley, Co and Edge earning the Triathlete Award. I love his spirit and eagerness to play any game. He amazes me at how easy he changes gears from field to agility to obedience. He is definitely keeping my "old girls" young. We are having a blast and can't wait to see what's in store for the future.

2010 Obedience Achievement Awards

Beginner Novice

Emberain TLC's Livin' On The Edge, BN, RA, JH, AX, MXJ, NF, WC – Teri Chang

High Times On The Kymin, BN, OA, OAJ, RE – Laura Turner

The joy ride continues. Kymin and I completed our Rally titles early in 2010. Then we turned our focus to our agility start lines---namely the concept of stay. Numerous times Kymin demonstrated that she knew the course and took off without me. In July, I did manage to convince her that this was a team sport and we had several successful runs and our open titles. Then we finished the year with our first, of many (we hope), obedience titles---the new Beginner Novice.

Ch. Sunjoie's Great Expectations, BN, RA – Faye Okurowski

At almost seven Dickens continues to be my lovable, ball crazy thief. Although we have not been consistent with our training, we did manage a Beginner Novice title and finished with a first place. He is my best friend and constant companion in whatever we do---what more could ask?

Companion Dog

Gaylan's Thaleia, UDX, OM1, RAE, TDX, JH, OA, AXJ, OBHF – Vicki Chaney

Sunjoie's Sage Advice, CDX, JH, RA, WC, CCA – Joyce Davis

In 20010 Jill and Sage earned obedience titles. First Jill earned her CDX in three straight shows. Then Sage earned her CD in her first three shows, moved up to Open and polished off the CDX title in three more straight shows. Since Sage's name is Sage Advice I decided that I would have a serious heartfelt discussion with her about her journey through Novice and Open. So I sat quietly all psychic like and tried to read her thoughts. Sage wiggled around me

with the ball in her mouth. Then she decided I needed washing. Finally she grabbed her stuffed toy and paraded around me all clever and full of herself. I mean she was acting like a goofball, so I said, "Sage, you are a goofball. You are not taking this seriously." "You were named Sage Advice." Still she danced. And as my words rang out in mock consternation, my eyes and heart said quite another. Then I turned to Jill. Jill rested her head on my lap. I stroked her silken fur and Jill basked in the attention still and quiet. Could I ask Jill for some sage advice? I tried it. I got nowhere. She told me she didn't know about sage advice, after all she was Jill, One in a Jillion. I nodded yes, One In A jillion, my Jill. We have no sage advice. We just are. We just do. We share in that wonderful rewarding relationship of being and doing.

Companion Dog Excellent

Emberain Autumn Sunstreak, CDX, SH – Ginny Grandon

Streaker agreed to take some time off from her main job, retrieving birds, and get her CDX. She did a very respectable job, failing only once and was in the ribbons on all qualifying trials. Her last leg was at Gabrielino amid a total gopher infestation. I've never been so glad to get a trial over with in my life. I think it should be extra points if you retrieve a gopher as well as a dumbbell. Why not?

Gaylan's Thaleia, UDX, OM1, RAE, TDX, JH, OA, AXJ, OBHF – Vicki Chaney

Haldane's Golden Darlin' Layla, CDX, RA, OA, AXJ, MXP2, MJP6, OFP – Teri Chang

The highlight of our year was Layla earning her CDX at 11 years old. A recurrent bout of Vestibular Syndrome put that quest on hold for a year. In agility, she was able to compete at the Preferred level jumping 16", however, in obedience she had to jump 22". That was a BIG 6" difference for an old girl but she did it! She is my happy girl who always has a smile on her face. She has been the great teacher for all my puppies....nudging them out the dog door, teaching them to play tug and how to play with the same toy without fighting. She has lovingly been nicknamed "The Sheriff." I am blessed to have her in my life.

Sunjoie's One In A Jillion, CDX, JH, RA, WCX, CCA, VC – Joyce Davis

Sunjoie's Sage Advice, CDX, JH, RA, WC, CCA – Joyce Davis

Graduate Open

Emberain Autumn Peach, CDX, GO, SH , WCX– Ginny Grandon

Peach was diagnosed with osteosarcoma November 19th and given two months to live. She had 1 Graduate Open leg and was in minimal discomfort, entered at Valley Hills Obedience Club Trial. She earned 1st place both days and we both enjoyed every moment. For whatever reason, I'm the center of Peach's world. I've never had a dog that thought of me as the center of the universe. She's on holistic medications and recently earned her first utility leg. Peach and I adore each other.

Utility Dog

MACH 3 One Ash High Hopes On Tap, UD, RE, JH, MXF, NJP, NFP, WC, CCA, VCX, ADHF – Cindy Gray

Hope continues to be my "wonder girlie." In 2010, she earned MACH2 just 7 months after MACH1 and then MACH3 just 8 months after MACH2. And that wasn't all this special girl was achieving. Hope also finished her MXF, earned her UD in just a few weekends and was 3rd place Utility dog at Top Dog. At the National, she was 3rd in FAST, 2nd in Utility A, and she was first placed in Versatility out of 17 dogs. Hope finished 2010 as #9 in the nation in double Q's and #12 in points. She was the ONLY dog in the top 10 with obedience, field and agility titles. I'm so very proud of my sweet, talented, and beautiful girl. She may have started late, but she sure made up for lost time.

Utility Dog Excellent 1 & 2

Regal Gold's Diamond Girl, UDX4, OM6, RE, CCA – Gerri Monohan and Mary Fry

Lyric earned multiple Utility Dog Excellent Titles and multiple Obedience Master Titles plus entry into the GRCA Obedience Dog Hall of Fame all in 2010 in a total of seven months. Lyric gives new meaning to the word Performance and new meaning to taking an E-ticket ride. And what a ride it was for Gerri. Lyric Diamond Girl you sure do shine....We love our special girl.

Versatility

UCDX Belvedere's Prince Courage UDX2, VER, RAE, JH, AX, MX, MXJ, NJP, XF, NFP, WC, CGC – Cindy Gray

Courage is my wonderful, big hearted boy, purchased from the paper as a pet. Some call him "backyard bred" and oversized but it's his heart and desire to please that are truly "oversized." My Novice A dog, we learned things only by stumbling through them – no big trainers or private lessons until his sister arrived. He's a gentle giant with children, puppy babysitter, and a sensitive therapy dog who helped me through recent years of divorce, car accident, family problems, job loss and my mother's death. His goal in life is to make me smile and looking into those big soft eyes makes any problem seem fixable. Courage truly is my "Heart Dog."

Obedience Master

Obedience Master 1

OTCH/MACH Coppertop Let's Dance VCD2, UDX2, TD, OM1, CCA, ADHF/ODHF- Vicki Chaney

Darcy is a talented, intelligent, intense dog who always tests the rules and pushes the line. She is a loving, sweet dog and at the very same time, dominant and willful. She has been one of my greatest teachers and has revealed to me my own faults like no other could. I love and admire her and I am grateful for all she has taught me.

OTCH MACH 3 Coppertop's Polyhymnia VCD3, UDX8, OM1, RA, TDX, ADHF/ODHF – Vicki Chaney

Polly is the epitome of unconditional love and devotion. She is always by my side not matter what I am doing. She is my first OTCH, MACH, TD, TDX, ADHF and ODHF dog. At 12 years old, this wonderful dog is still ever willing to work, learn, and perform. In spite of my mistakes, or any frustration that I may show, she still continues to try and manages to excel at everything she does. I have been truly blessed to have her in my life.

Stellar's Lucky Lil' Green Girl – Julia Wolfe & Gael Parks

Sage was named for Joni Mitchell's song to her daughter she gave up for adoption. She was not supposed to stay; we were only keeping one from Drew's litter, Jack. But she was determined to stay, and we are so happy she did. One of our redheads, Sage is beautiful and smart and so very sweet. A wonderful agility dog who is a pleasure to train and to run. The dam of two litters, sired by our Montgomery; her pups are turning out to be following in her paw prints.

Trolleycar's Play Games All Sorts RN, MX, MXJ, CGC – Miki Shannon

Poppins finished her MX and MXJ early this year and has 5 double Q's toward her Mach. Poppins favorite occupation is laying in wait for either her mother or the feral cats in my driveway. She is good at catching her mother but the cats are proving elusive. One has to have some sort of goal in life☺.

Trolleycar's Step In Time – Miki Shannon & Christie Latour

Dillon is the best hugger in the world. She tucks her head into my neck, closes her eyes, and softly grumbles as if she is saying, "ahh, I really needed this hug, mom!"

Novice Agility Preferred

MACH 5 Trolleycar's Pistol Packin' Mama CD, RE, JH, MXF, NAP, WC, CCA, VCX, TDI – Miki Shannon

Dale is almost 13 (thanks to Gael Parks, Dr. Terrie Johnson and Dr. L. Novy) and retired from agility. But she still gets to play in veterans at our GRCGLA Specialties. When the judge told me I should do a small circle I looked at the smile on Dale's face and thought, "Oh, I think Dale wants to do a BIG circle!" And indeed she did.

Novice Agility Jumpers

Gaylan's Thaleia, UDX, OM1, RAE, TDX, JH, OA, AXJ, OBHF – Vicki Chaney

Greatbook Dandy Lion Dancer, NA, NAJ – Merry & Dave Shelburne

Dandy is a big, flashy enthusiastic boy with lots of drive and speed, and all of his Qs have come on dirt horse arenas. As soon as he gets on a grass course, the weave poles become invisible to him, as do the yellow contact zones on A-frames. Wheeeee! It's a mystery we'll need to solve, but in the meantime we're thoroughly enjoying his good-natured temperament and the spectacular photo opportunities.

Sophie started her agility career in the late 1990's; she thrived in the 2000's, and finished her career in 2011. Even though she is blind in one eye, she earned MACH 5 at 12 ½ years. She then continued to run in the preferred class in 2010 and 2011, earning preferred titles and ribbons at age 13. She is our amazing girl.

Stellar's Oh My Stars, OAJ – Julia Wolfe & Gael Parks

Samantha, the BEST agility girl in practice, shuts down at trials She shuts down by running amuck, so the spectators think "how cute, she is having a good time", but she is not. It breaks my heart as she so loves agility. What can we do? Just continue to train and have fun. We have shown in Nadac to she can build her confidence, and we will show in AKC here and there and see if she can break through her pattern.

Sugar is a delight to be with in and out of the ring. She happily transitions from wildly playing with our grandson to calmly greeting and tucking in with patients at the hospital. Sugar continued her successful Rally style from 2009-2010 by completing her Rally Advanced Excellent title with no failures and many placements. For our butterfly chasing girl that's 29 times in the ring, 26 of which were off lead!! Ah...eee . In agility, she completed her Agility Excellent title.

The highlight of this past year was Ryder starting off the year earning his MACH then finishing the year earning his MACH 2. Our journey has definitely been a "Wild Ryde!" Ryder is always testing to see if the rules have changed. He is very serious about his work and hates to make mistakes but always has time to give me a hug and kiss. His versatility continues to amaze me, switching from agility to obedience to field. He has taught me so much.

MACH 2

MACH 2 Dauninge Happy Evr Aftr At Trolleycar RE, XF, CDC, JR Splash Dog – Miki Shannon

Guenevere is the happiest little dog you will ever meet. She qualified for her second AKC National Agility Championship and we flew to Washington D.C. enroute to the trial in Virginia. In our Nation's Capitol, Guen posed for pictures at the Washington Monument, Lincoln Memorial and on the White House steps. Everywhere she went, people stopped to pet her from men in suits to kids in shorts. There were many pets being walked on the National Mall, but none so ingratiating as Miss Guen.

Certificate of Conformation Assessment

Sandpoint Morning Thunder, CDX, RAE, CCA- Sarah Sykes

I used to tell Rupert that he was the best dog in the whole world and he truly was to me. As my Novice A dog, we learned obedience and rally together and had so much fun. Our last time in the ring was Top Dog as part of the Golden club's Open team. Rupert had a great time, forging and prancing with his signature heeling style. When it came to the retrieve over the high jump exercise, I threw the dumbbell so off center that when he picked it up, I expected he would bypass the jump and come right back to me as I was right in his line of sight, not the jump. But no, he looked at me, then veered back to the jump, clearing it perfectly and getting a perfect front! What a good boy he was! I miss him every day.

Champion

Ch. Artistry Let's Get Down T'Business – Harry & Rebecca Scribner, Terrie Johnson, DVM

Peyton is the second generation of home-bred champions at Artistry goldens. She finished easily, with 3 majors, entirely owner-handled, in tough southern Calif competition. Her final points were a specialty WB/BOW. But Peyton doesn't care about all that, she is just happy playing ball or strutting around with a toy in her mouth!

Ch. Calico's Power of Love, CGC – Mary Thompson & Joy Van Wie

Celine, CH Calico's Power of Love CGC bred and owned by Mary Thompson, co-owner Joy Van Wie with a special assist by her former co-owner Cathie Turner finished her championship in style by going winners bitch at GRCGLA independent specialty in 2010. Celine, known as "The Princess" of Calico is now "Queen Celine" and she wears her crown well!

Ch. Kate's Sweet Dreams of Miraleste – Gloria Henderson

Holly is a funny, happy girl who jumps a three foot gate to steal her favorite delicacy—Cat Food!! She greets everyone who comes to the door with a silly grin and an "unstuffed" toy in her mouth. We knew she had potential but it wasn't realized until she joined the Fenner team of handlers. She quickly finished her championship in only one month of showing. Along the way she was BOB her first weekend out, winners bitch, and BOW at the AKC Eukanuba Championship and winners bitch/BOS over specials at Palm Springs. She is our special girl.

Ch. Stellar's Turn On the Old Charm – Julia Wolfe & Gael Parks

Montgomery, our Monkey Man, how proud we are of you! Montgomery singled out fast and then waited for Majors. Not to earn them, just to have them HOLD! The economy had affected the availability of Majors, once they held; he finished within a month, with a 3-point Major in Ventura, then a 4 pt in Colorado. He is a gorgeous, sweet dog, with the most amazing movement, takes after both his Sire and Dam. The two litters he has sired with our Sage are talented, beautiful, smart and very sweet. His son, Stevens may be our next Agility Star.

Ch. 24KT Wood Rivers Bibbity Bobbity Boo – Kathie & Ray Knittle

They say a dream is a wish your heart makes, and CH. 24KT WOOD RIVERS BIBBITY BOBBITY BOO is certainly a dream come true. From CH. Dalane-Season Magic Moment (Mindy) came this magical boy. His name is conceived from the Cinderella theme song. The song is about how repeating those three little words will create magic and when you put them all together what have you got, BIBBITY BOBBITY BOO. BOO definitely did not turn into a pumpkin. He took his first major at 12 months and just kept getting better under the expertise of Bruce and Tara Schultz. Finishing at the Kennel Club of Beverly Hills Eukanuba weekend BOO is currently at home conjuring up more hocus pocus before returning to the specials ring. Thank you to Judi Voss and Jane Jensen for entrusting this outlandishly wild magical boy to our care.

Grand Champion

GCh Ch Annecky's Admiral of the 15th Fleet – Sheila Mann

Sailor, with limited showing, has continued the winning traditions of his heritage. With his stunning movement, showman attitude and outstanding athleticism, he is a pleasure to watch. His willing spirit is always an inspiration and I am so proud of him! Many thanks are due his skillful handlers and his always supportive extended family. It was an overwhelming honor for Sailor to be included in the 2010 Top 20 competition at the 2010 Golden Retriever National Specialty. Highlights of Sailor's career included Reserve Winners Dog at the 2007 GRCA National Specialty, earning his championship in 2008, multiple Best of Breeds and Group Placements, Show Dog Hall of Fame in 2009 and 2010---his Grand Championship!

BIS BISS GCh Ch Dalane Doizaki Buckingham's Pride, SDHF – Hisato Doizaki & Jane Jensen

Lexus and 2010 were the thrill of a lifetime for Hisato and Jane. With 49 Breed Wins; 16 Group Ones; 2 BISS; 3 BIS; One of the first 10 goldens to win the AKC Grand Champion Award; 2010 GRF Top 20 Gala Competitor; 2010 National JAM Winner; 2010 AKC/Eukanuba BOS Winner. This feisty bitch garnered the # 1 GR Bitch in America (All System) spot. Our heartfelt thanks go to Bruce & Tara who say there wasn't a single time that Lexus didn't show her heart out! She loves it!! For now, she is exemplifying the qualities of motherhood and loving that too! Watch for her in the Veteran classes!!

GCh Am Ch/Can Ch Sunjoie 'n Woodland Anyway U Slice It, Am/Can SDHF – Sharon Shilkoff & Joyce Davis

Cutter flew to Michigan to be with Amy and Phil
His successes for us were a real thrill.
Cutter made our dreams come true
Bringing home group ribbons of yellow, white, red and blue.
He achieved his Show Dog Hall of Fame in May
An accomplishment that certainly made our day!
His Grand Championship was a fait accompli
As was his invitation to the GRF Top "Twentee."
Nationally ranked in the top 10 with his breed and group wins
Made Joyce and I have very big grins.
He's home now and we're so proud
We still haven't come down off our cloud.

24 Kt Riverwoods Royal Rebel – Sheila Mann & Judi Voss

We're just wild about Harry! From the moment I first saw him he has amazed me. He is very handsome, super playful, extremely mischievous, and way too smart. He has two older brothers who have spoiled him shamefully. Yet, at 7 months he entered the show ring and performed like a veteran----THANK YOU, Loran! I held my breath... At Los Encinos, a major, he was awarded RWD. He was just 8 months old. He quickly followed this by winning Best Puppy in Breed and a Group 1 in the Puppy Sporting Group at Shoreline in December. He has continued his pathway to success in 2011 earning all but 3 points toward his championship before the age of 13 months. Thank you, Judi; thank you Loran; and thank you, Mom Mindy. Yes, we're still wild about Harry!

Dalane – 24kt Magic and Mystery – Jane Jensen & Judi Voss

There was never any mystery about Madge. She came to the show ring only one weekend in 2010 and garnered a major RWB followed by back-to-back majors...all with BOW. Madge went on to finish her championship in just 12 short weeks of showing with a total of three major wins. She arrived with her full PNW coat and went home without it but still full of herself!! Madge is one of those "Dream Come True" bitches who only come along if you wish with your heart. She is a daughter of CH. Dalane -Season Magic Moment," Mindy" and Judi's first champion bred-by bitch. We are both very proud of this young gal!

2010 Production Awards

Best Brood Bitch

To be awarded to the female who get has earned the highest number of points during the award year.

Ch. Woodland Kerry Oakie

Sharon Shilkoff

Points –22

In 2010, Kerry was proud that two of her get from her first breeding to BIS Ch. Easthill Broxden the Fig is Up, SDHF received their championships – Ch. Easthill Broxden Woodland Turnip the Volume and Ch. Easthill Broxden Woodland Lettuce Entertain You. Loving the puppies from the first breeding, I repeated the breeding which resulted in four more of her kids with points. What a thrill to see her kids not only excelling in the breed ring, but also possessing that wonderful golden temperament.

Best Stud Dog

To be awarded to the male who get has earned the highest number of points during the award year.

Ch. Ashford Shadoj Dare T'Dream JH, MX, AXJ, WCX, VCX, OS

Benjamin lives on in his kids. They all have a little of his clownish personality mixed in with biddability. It is this desire to please that enables them to earn so many titles for their owners. I also need to thank these owners for their time and dedication to bringing out the full potential of these dogs. But more than anything, it is such a joy to know that they bring their owners much love and laughter
