March Match Post-Script

The week of March 21st had been very wet and as chairperson I was deeply concerned by that Sunday, the Match would literally "float away". Local news stations predicted some clearing, but my yard was still 4 inches deep in water. **To All of You** that prayed to the "Rain Gods" to spare our GRCGLA March Match and NOT rain on our parade my sincerest thanks. We had a wonderful time, nary a drop of rain was felt, and the dogs loved the weather. Thank you to all that helped insure our success. AND a big **CONGRATULATIONS** to all the winners!!

CHLOE

Champion Anecy Summits its only a paper moon. Chloe finished her championship before she was 2 years old with a 5 point specialty win at Atlanta Golden Retriever Club. Chloe is first champion out of Anecy Summits a Thief in The Night, SMUGGLER.

FLIRT

I have missed getting our Brags in on Ridgeview N' Fairway Summer Luv' N "FLIRT" lately. She has been with Rebecca Heimann since the Palm Springs show in January 2011. She had not been in the ring for 6 months. She got her first Major that weekend and her second Major a 4 pointer the next weekend in Ventura. This photo is from a few weeks ago when she went Winner's Bitch and BOW under judge Donna Ernst. We are so proud of her and even more proud of what Rebecca has done with her in such a short time. She now just needs three singles to finish her Championship and become Ch. Icarian See You In Cooperstown "Cooper's" and Quailwood Morning Breeze "Bree's" first "kid" to become a Champion. She is only 19 months old. Melissa Simpson and I could not be any prouder of this girl.

--Karen Wood

HOPE

Dec 12, 2010 Hope earned MACH3 at the same trial where just 2 years ago she competed her first weekend in both EXC B STD/JWW winning her first "High Excellent Golden" ribbon. What an amazing first agility dog! In just 15 mos from 9/09 - 12/10 she earned MACH1, MACH2, MACH3, CDX, UD, XF, MXF, VC, VCX, ADHF, won agility and obedience at 2 nationals, started in the top 15 agility Goldens, ended in the top 10 and the only dog in top 10 with field, obedience and agility titles! I am so blessed to have this sweet, talented girl in my life.

--Cindy Gray

LAYLA

Haldane's Golden Darlin' Layla PAX CDX RA OAAXJ MXP3 MJP6 OFP. Layla got her 20th QQ at the Temecula Valley Agility Club trial on April 9, 2011. This earned her PAX and the new PACH when it goes into effect this July. She is my career change Guide Dog that I raised for the blind and is now 11&1/2 years old. She's had many health issues including have a toe amputated, 2 degenerative discs in her back along with developing uveitis which is causing her to lose her vision. Through it all, she is my happy girl who loves agility but used to hate that darn teeter. After taking a year off, we started trialing again at this past year's Golden Nationals in Greeley, CO. To my delight, she QQ at the trial in Golden (how appropriate) and forgot that she hated the teeter! Our journey has truly been a labor of love and she's proven to me that you're never too old!

MADGE

Dalane-24KT Magic and Mystery. Madge finished her championship in just 12 weeks of showing with 3 majors. Who could ask for more!! Madge is owned and loved by Jane Jensen and Judi Voss. Beautifully presented by Bruce and Tara Schultz.

KYMIN

Kymin started 2011 with a bang. We entered Novice Obedience and earned our CD in 3 trials. Next we went to a UKC trial and earned both CDX and Rally Level 3 titles. We finished off January with our AX title in agility and our first MACH points. Then came the 4 day Agility trial in March. We came home with 5 Q's, 4 1st places, and 2 new titles (Novice Fast and AXJ). All these agility accomplishments are especially valuable as Kymin has had a hard time staying at the start line. Kymin is now formally known as UCDX RO3 UAGII High Times On The Kymin CD BN RE AX AXJ NF.

--Laura Turner

COURAGE

At the Pawso Robles trial Courage finished his Master Excellent Fast title, placing both days. He has come so far from the overly worried obedience dog with the table/teeter/dogwalk phobias to a boy who can be brave, driven, and who loves FAST! On those days when he's truly confident he can really turn on the speed with that huge stride. On the days where he's a little worried we just try to concentrate on having fun! He's a big boy with an even bigger heart and I'm so very lucky to be loved by him.

-- Clndy Gray

HARRY

24KT Riverswood Royal Rebel. Harry has amazed us, going Winners Dog and Best of Winners at the Del Sur Kennel Club from the 9-12 month old class ... Just one week later Harry went Winners Dog, Best of Winners, Best Puppy and a Puppy Group 1 at the Kern County Kennel Club. At the Arrowhead Kennel Club in Arizona, Harry takes Winners Dog, and Best of Winners. Harry now has 9 points and a major at just one year of age. Way to go Harry. Harry is loved and owned by Sheila Mann and Judi Voss.

Loran Morgan presents Harry beautifully.

-- Judi Voss

TAYLOR

Taylor is working on Stellar's goal of titles on both ends! She hit her first agility trial, March 26&27 and garnered two legs, one each in Standard and Jumpers with two first places. She was WB at Angeles Canyon Dog Club for 2 pts under Judge Ms. Sandra Goose Allen. That brings her count to 8, including a 4 pt Major..a little over half way there.

GRCGLA INFORMATION AND EDUCATION DIRECTORY

GRCGLA strongly recommends that all parties interested in purchasing a Golden Retriever puppy should check for the recommended clearances on the sire and dam and make sure that both parents are at least 2 years of age at the time of the breeding. Clearances include OFA hips, OFA elbows, clearance from a board-certified Cardiologist regarding the heart, and a current (within 12 to 18 months) eye clearance from a board-certified ophthalmologist.

GRCGLA encourages all breeders to follow the recommended guidelines from GRCA regarding the breeding of Golden Retrievers for health and temperament. GRCGLA encourages all puppy buyers to become familiar with the breed's standards and recommended health clearances and appropriate age for breeding. "Acquiring a Golden Retriever," a booklet published by GRCA, is an outstanding reference for anyone interested in having a Golden Retriever in the family.

Please be aware of who you are buying a puppy from. People who run puppy mills know the right things to say to convince you that it's not important to have current hip, eye, and heart clearances on both parents. Don't be fooled! Insist on seeing the papers or don't buy! A reputable breeder will always give you a copy of all health clearances on both parents. If they don't –walk away!

For more information, contact our Education & Information Chair Jennifer Mohr at Mohrcrest1@aol.com or (951) 780-0098.

An excellent source of information on Golden Retrievers is **Acquiring A Golden Retriever**. This publication is distributed by the Golden Retriever Club of America and can be accessed through its website at www.grca.org
