HOPE

MACH 3 Hope qualifies for the AKC Nationals. Hope has exceeded my "High Hopes" again. After her rest break I decided to try to qualify for the Nationals in preferred. This meant going back from Novice to Excellent, plus earning the required 'QQ's all in a short time. But, as usual Hope was amazing. She zipped thru her Novice, Open, and Excellent titles then earned the 20 'Q's for both her Masters titles in just six weekends! She went all the way thru with few failures, nearly all first places, then earned the 6 'QQ's for the Nationals in only FOUR WEEKENDS! That's my sweet girlie.
-- Cindy Gray

HARRY - NEW CHAMPION

Harry has completed his championship at only 18 months of age. Harry is a son of Mindy, CH Dalane Season Magic Moment, This win also makes Mindy an OD. Many thanks to Loran Morgan for leading Harry on this incredible journey and to Christian Rangel for taking him over the top. Harry is adored and loved by Sheila Mann and Judi Voss.

GRCGLA INFORMATION AND EDUCATION DIRECTORY

GRCGLA strongly recommends that all parties interested in purchasing a Golden Retriever puppy should check for the recommended clearances on the sire and dam and make sure that both parents are at least 2 years of age at the time of the breeding. Clearances include OFA hips, OFA elbows, clearance from a board-certified Cardiologist regarding the heart, and a current (within 12 to 18 months) eye clearance from a board-certified ophthalmologist.

GRCGLA encourages all breeders to follow the recommended guidelines from GRCA regarding the breeding of Golden Retrievers for health and temperament. GRCGLA encourages all puppy buyers to become familiar with the breed's standards and recommended health clearances and appropriate age for breeding. "Acquiring a Golden Retriever," a booklet published by GRCA, is an outstanding reference for anyone interested in having a Golden Retriever in the family.

Please be aware of who you are buying a puppy from. People who run puppy mills know the right things to say to convince you that it's not important to have current hip, eye, and heart clearances on both parents. Don't be fooled! Insist on seeing the papers or don't buy! A reputable breeder will always give you a copy of all health clearances on both parents. If they don't –walk away!

For more information, contact our Education & Information Chair Jennifer Mohr at Mohrcrest1@aol.com or (951) 780-0098.

An excellent source of information on Golden Retrievers is ***Acquiring A Golden Retriever***. This publication is distributed by the Golden Retriever Club of America and can be accessed through its website at www.grca.org
